SMALL GROUPS

Our cafe's are open to the public, and you are welcome to come and try to find a table for your group anytime as a normal customer. However, if you'd like to reserve a section for your exclusive use, like a table for 6 or even up to our entire lounge at Kreuzberg, we charge a minimum per person in guaranteed food/beverage purchases on a single tab.

We can either have everything set up for you when you arrive or your group can order what they like at the counter. Common food and beverage combos are morning meetings with coffee and pastry or evening get-togethers with wine/beer and our meat and cheese plates. or luncheons with sandwiches.

Our base minimum purchase includes the first 2 hours, and each additional hour requires an additional minimum per person in guaranteed food/beverage purchases.

We love throwing large events where we shut down the entire cafe and transform the space into your dream venue. We can work with most budgets and have formed tight relationships with photographers, florists, photo booths & the best DJ's in SLO. We are fanatics about making your event come off without a hitch.
